

## **RE: WALCE Merger Webinars – Feb 1 and Feb 14**

Two more webinars have been scheduled for **February 1 and Feb 14 – both from 1:00 – 2:30 pm.** Anyone can participate from an Internet-linked computer, but you must register beforehand. Details on how to do this are provided below this message.

These webinars are aimed to provide WALCE members the information needed to vote on the WALCE/WLWCA merger proposal at the February 29 WALCE Annual Meeting. The webinar includes a 30-minute presentation on the merger, followed by a one hour question and answer period. A similar presentation was done prior to the successful vote at the WLWCA Annual Meeting in December, and is also planned prior to the vote at the WALCE Annual Meeting. This is one of the ways the ad-hoc committee has tried to make this process as open as possible. All meeting minutes and materials from the ad-hoc committee are also posted on the WLWCA web site ([www.wlwca.org](http://www.wlwca.org)).

### **Webinar Information:**

Wednesday, February 1, 1:00 pm -- 2:30 pm. To register, go to this web link:

To listen by phone for both webinars, **dial 866-200-5786** and enter **Access code 6082638**.

Since the WALCE vote represents the last step in the Ad-hoc Merger Committee process, I would like to take this opportunity to thank the committee members, and everyone else who has participated in this process over the past year, for their thoughtful input and support. It has been a pleasure serving as Co-Chair of the committee along with WLWCA President Chuck Wagner.

See you on February 29<sup>th</sup>!

Sincerely,

Perry Lindquist
